Pursuant to North Carolina General Statute 7A-308.1(2), a fee equal to five percent (5%) of each fund shall be assessed and collected (deducted) before the funds are invested. Only the balance will be invested. The total fee collected cannot exceed one thousand dollars (\$1,000.00) on any one case, per individual. The return of the original principal is guaranteed. Therefore, if the interest earned over the life of the investment is less than the fee assessed, the difference will be refunded to the owner of the investment.

You will receive a Form 1099-INT for interest earned. The amount of the 5% fee may be deductible on Form 1040, Schedule A - Miscellaneous Deductions section.
