OTHER POLICIES RELATING TO PARKS AND RECREATION OFFENSES:

1. G.S. 7A-148 provides that the Conference of Chief District Court Judges shall prepare a “uniform schedule” of waivable Parks and Recreation offenses under G.S. Chapter 143B, and shall otherwise promote the “uniform administration of justice.” In accordance with this statutory mandate, all judicial districts must adhere to this schedule, and individual judicial district policies deviating from this schedule are prohibited.
2. Where more than one charge is made on a criminal process or pleading, the defendant shall be fined only for the offense carrying the highest fine. Only one bill of costs will be assessed.
3. When a defendant is charged on the same criminal process or pleading with an offense(s) waivable under this schedule and an offense(s) that is not waivable, the defendant must appear in court to answer the waivable and non-waivable charges.
4. Parks and Recreation offenses are not waivable if the person charged has been convicted of any Parks and Recreation offense within the previous two years.
5. This schedule does not apply to littering charges under G.S. 14-399(c) or (c1), if the defendant is charged with a second offense under the subsection.
6. When a defendant is charged with multiple offenses arising out of the same event or transaction, only one criminal process or pleading should be used to the greatest extent possible given the limits of the electronic or paper pleadings provided by the North Carolina Administrative Office of the Courts.
