

How to Use NCCourtPix

- Bookmark: <https://www.flickr.com/nccourtPix>
- Log into your Flickr account (or create one).
- Accept invitation (if not already done).
- Click on "Photostream" to see the most recent uploaded images. **1**
- Click on "Albums" to see specific albums of related photos. **2**

How to search by keywords

- On the "Photostream" page there is a magnifying glass icon just above the photo, between the word "organize" and "slideshow" icon. **3**
- Click the magnifying glass to open the prompt at the very top of the page. **4**
- Type in as many specific keywords and/or county names as needed. Note that the more keywords typed in will mean a smaller amount of results.
- Examples of keywords are listed to the right.

Keywords:

How to download images

- Click on the image that you would like to download.
- Click the down arrow at the bottom righthand corner of the black image field. **5**
- A prompt will open with specific sizes. Click on the version that you need. **6**
- That image will then download to your device for your use.
